TAPPS MEDICAL HISTORY FORM

This Medica History Form must be completed annually by the parent (or guardian) and student in order for the student to participate in TAPPS athletic and selected fine art activities. These questions are designed to assist the practitioner in determining if the student has developed any condition which would make it hazardous to participate in an extracurricular activity.

TAPPS MEDICAL HISTORY FORM

It is understood that even though protective equipment is worn by the student participant, whenever needed and as prescribed, the possibility of accident or injury still remains. Neither the Texas Association of Private and Parochial Schools (TAPPS) nor the TAPPS member school assumes any responsibility should injury occur.

If in the judgement of any representative of the school the student should need immediate care and / or treatment as a result of any injury or illness, I do hereby request, authorize and consent to such care and treatment as may be given to said student by any physician, athletic trainer, nurse or designated school representative. I do hereby indemnify and save harmless the TAPPS member school, TAPPS, treating medical establishment and representatives of each from any claim by any on account of such care and treatment of said student.

If, between the date affixed to this document and the beginning of extracurricular training, competition, or performance any injury or illness should occur that may limit the student's participation, I agree to promptly notify the recognized and designated authority at the member school of such injury or illness.

I hereby state that to the best of my knowledge, my answers to the questions asked on this form are complete and correct. I understand that failure to provide truthful and complete responses could subject the student to nonparticipation at the member school and penalties as determined by TAPPS.
